## **CALL FOR EXPRESSION OF INTEREST Under Competitive negotiated procedure**

Individual Experts or companies to be appointed for drafting a Foresight study in the framework of the Black-Sea funded project: Continuous improvement strategy for increasing the efficiency of wastewaters treatment facilities in the Black Sea coastal states - CISWastewater

ERFC, Thessaloniki, Greece  
31/07/2015

## 1. Aim of the call

This call of expression of interest is published by European Regional Framework for Co-operation (ERFC) in the framework of the implementation of the project called "CISWastewater: Continuous improvement strategy for increasing the efficiency of wastewaters treatment facilities in the Black Sea coastal states" funded by the EC Black Sea Programme.

The aim of the call is to collect the expression of interest of companies or individual experts which are willing to respond further to the detailed tender dossier (if short-listed) and bid for undertaking specific tasks for the successful implementation of the project's activities that are detailed here below.

Individuals or companies preliminarily interested should express their interest via either e-mail to the following address: [erfc@otenet.gr](mailto:erfc@otenet.gr) or post or by hand delivery to the following address Platonos 33, P.C. 25100 Aegion, tel: +30 26910 60427 fax: +30 2691062904/ e-mail: [erfc@otenet.gr](mailto:erfc@otenet.gr), till **31/08/2015**. They should send a letter of interest as well as their profile with references related to the activities hereunder. Shortly after, ERFC will prepare a short list of suitable and interested companies / individuals who will be invited to participate in the second step of offering their services replying to a detailed tender dossier with Annexes which will be communicated to them.

For any questions, clarifications, enquiries or comments, interested candidates are advised to send an email to [erfc@otenet.gr](mailto:erfc@otenet.gr) by 13/08/2015 at 17:00. Answers will be provided at a maximum of three (3) calendar days from the date of clarification request.

## 2. Description of activities

The experts or companies will have to undertake tasks within the following **Group of project Activities (GAs)**:

GA 1: Documentation elaboration to define and implement the continuous improvement strategy (CIS) in wastewater treatment facilities (WWTF)

GA 2: Balanced Scorecard elaborating to measure, monitor and communicate the WWTF performance.
